

LES COLONNES iSTELE® BY LUXIS®

La stèle, la colonne, le piédestal sont présents depuis l'origine des arts décoratifs.

ÉLEVATION, CÉLÉBRATION

Ils marquent une entrée, rythment les passages, élèvent une œuvre, supportent des vases. Luxis a créé la stèle dans l'air du temps, un accessoire essentiel.

THE COLUMNS iSTELE® BY LUXIS®

The pedestal, column and pillar have been present since the creation of decorative arts.

ELEVATION CELEBRATION

They define an entrance, trace a pathway, display a work of art or hold a vase.

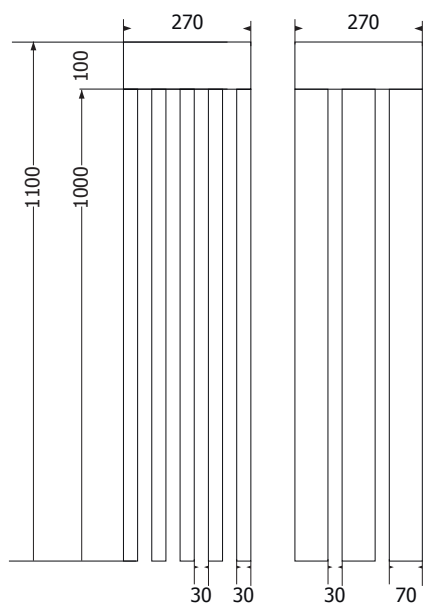

An essential accessory, Luxis has brought the pedestal completely up to date. In an entrance hall, a living room, an office or dining room, the pedestal will enhance your sculptures, busts or favourite pieces.
